7th December 2020

On behalf of Cumann Ó Mathúna, I am writing to notify you that the Annual General Meeting (AGM) of the club will take place on Saturday 9th of January 2020 at 7.30pm. Due to ongoing restrictions arising from the Covid-19 pandemic, it will not be possible to hold our AGM in person this year.

Details for attending the virtual AGM as well as copies of any relevant information will be provided in advance of the AGM to those who register their interest in attending to the secretary.

Nominations for positions on the executive committee and motions for the AGM must be received by the secretary by 9pm on Saturday the 19th of December. Such nomination and motions can be sent to me at 3 Boyne Valley, Slane Road, Navan, Co. Meath or left in the club. I would request that you advise me if you have left any nominations in the club so that I can ensure they are received.

Only Full Members, whose membership fees were paid by the 31st of October 2020 are eligible for election to the Executive Committee. In addition, nominations and motions may only be proposed and seconded by Full Members whose membership fees were paid by the 31st of October 2020. Please note that this date is due to the Covid-19 pandemic with the GAA advising that the membership requirement dates for 2020 only be extended. The GAA have also advised that all nominations and motions continue to require two signatures to be valid – there is no change to this rule arising from the Covid-19 pandemic.

Copies of all nominations and motions will be published online at www.navanomahonys.com on or before the 30th of December. A copy can also be obtained by contacting the secretary at (086)1578797 or secretary.omahonys.meath@gaa.ie. As the AGM will not be in person, ballot papers will be utilised where voting is required and a returning officer appointed to independently oversee the voting process.

If you have any queries, please free to contact me.

Is mise le meas,

Ceallaigh Ní Bhriain
